The *radiodd Festival show!* is an evolution of the freak cabaret presented by the roman net-radio-label **radiodd** (Radio Digital Delicatessen), on the Dissonanze Festival terrace in 2005.

The *radiodd Festival show!* is a proper song festival with a real singing competition featuring special exotic guests in an electrifying suspense crescendo.

Starting from the rusty and consolidated italian 'bel canto' tradition, **radiodd** presents and unveils a bizarre, freak and obscure vision of the italian contemporary pop.

On the Brancaleone stage the show will become alive, hosted by the fabulous **Nikky** and her sexy assistant **Jemma Temp**. Together with them there will be a small Festival orchestra (**Pigneto Quartet**), a renaissance choir conducted by maestro **Alessandro Quarta** and a quality jury. Live Festival graphics by **Flxer.net video crew**.

Here they are the competing singers, rising stars of the **radiodd** firmament and of the obscure italo pop, competing live to present their songs: **Ami Kristi and The Bad Sisters, Rodion, Lady Marù, Re:Joyce, Sergio Wow, Anna Clementi, La Cinese and Phonola**. Hit after hit, they'll fight until the very last 'acuto' to put their hands on the "**Golden bad bird**" (the radiodd official mascotte) and to launch next Summer' hit.

The crowd will be an active part of the show, incited by Nikky to evaluate the competing songs.

The crowd vote will be synthesized by a virtual applause-meter and summed with votes from the quality jury.

Summer is close to show its sunny head and the *radiodd Festival show!* will bring us a new hit to dance, play and dream singing it loud!
